Dear Sir or Madam:

"I am requesting a waiver to the requirement that this document be filed electronically as I do not have access to a computer and it is 2.5 miles to my nearest library."

The closing of the Hacker Valley Post Office in our rural community has

and is causing a lot of hardship to the elderly and the younger people alike. Many of our mailboxes are not in front of our houses but one to two miles from our homes. My is two miles away so when I need to mail anything that need to be given to the mailman to weight I need to go and wait at the mail box for him because I don't know for sure of the time he going to be there.

Now that you have closed the local post office our nearest office is close to fifteen miles away if we need any thing that need the postmaster to do this is a very expense trip to make anymore due to the cost of traveling now.

I hope you will return our post office to us.

Thank You
Marilyn Fisher
